

F. BALL CENTRE OF EXCELLENCE

IMPROVE YOUR SKILLS AND KNOWLEDGE

As the UK's leading manufacturer of flooring adhesives and subfloor preparation products we are proud to play a role in driving standards of best practice in floorcovering installation and reinforce the positive reputation of our industry.

We offer a comprehensive range of free, fully accredited training courses for flooring professionals delivered through our Centre of Excellence, a state-of-the-art training facility in Staffordshire.

FIRST CLASS FACILITIES FIRST CLASS TRAINING

The centre includes a large conference room that can cater for up to 30 people and boasts the latest conference and presentation facilities. It also comprises two separate meeting rooms, large demonstration zone so course attendees can gain hands-on practical application experience, as well as a fully equipped dining area.

Refreshments and lunch are provided free of charge on all courses.

FREE TRAINING FOR FLOORING PROFESSIONALS

The centre provides free training for all flooring professionals, including specialist courses for apprentices and a dedicated LVT installation course.

All courses are led by experts from the company's technical department and include subfloor preparation and floorcovering installation with practical demonstrations and exercises using a range of F. Ball products.

Completing one of our courses at the Centre of Excellence ensures flooring professionals stand out from the competition, demonstrating a commitment to customers of being at the forefront of flooring application techniques and product technology to deliver the highest flooring standards.

ON COMPLETION ALL DELEGATES RECEIVE A CERTIFICATE FROM THE CENTRE OF EXCELLENCE, AND A FREE F. BALL TOOLKIT.

HIGHEST STANDARDS IN APPLICATION AND PRODUCT SELECTION

All our courses are designed to meet the highest professional standards in application and product choice, to ensure flooring contractors deliver consistently high standards to their customers, professionally and efficiently.

The courses provide delegates with hands-on training, the opportunity to use a wide range of F. Ball products and understand how to select the best products for the job. They also benefit from expert advice on how to overcome the most common flooring installation problems.

WE OFFER YEAR-ROUND TRAINING PROGRAMMES INCLUDING:

SUBFLOOR PREPARATION AND ADHESIVE SELECTION	SUBFLOOR PREPARATION AND LVT INSTALLATION	FLOORING APPRENTICE MASTERCLASS
One and two-day courses on subfloor preparation, including moisture measurement and management, and adhesive selection.	A specialist course on achieving optimum results when installing luxury vinyl tiles (LVTs) with F. Ball's 'System LVT'.	A masterclass on subfloor preparation and floorcovering installation for apprentices, helping them meet 'off the job' training requirements of new standards-based apprenticeships.

TAKE A LOOK BEHIND THE SCENES

Those attending our courses also benefit from a guided tour of F. Ball's production and laboratory facilities, to gain a better appreciation of the technical knowledge and processes involved in manufacturing the company's products.
